Entrepreneurial Scholars Program

Are you innovative, creative, and energetic? Eager to make a difference in your community?

These four-year scholarships are designed for students with entrepreneurial vision and spirit. Recipients have a variety of opportunities to explore entrepreneurship and community building through activities both on campus and in the St. Louis community. We hope you will apply if your goal is to translate your visions into enterprises, both profit and nonprofit, to benefit the community.

Incoming first-year students applying to any undergraduate division may apply for the Entrepreneurial Scholars Program, which awards $3,000 scholarships to up to 10 students. The scholarship is awarded for four years of study, as long as the student is making satisfactory progress toward a degree.
