Rental Books

You can rent your books and return them at the end of the semester for a lot less than buying them. You can still highlight, underline, and take margin notes. Just return the book at the end of the semester and you're all set.

Digital Books

If you are used to having all your books stored on one device, many of the titles you need are available digitally. We'll give you an access code and you get a digital copy of the book. Why carry "your books" if you don't have to, right?

Gear

Washington University Campus Store is your official campus store for Bear merchandise. We carry exclusive styles - including Nike, Champion, and League apparel. Whether you are a football fan or a baseball buff, we have everything you need to cheer on the team you love.

Tech

Washington University Campus Store has all the biggest names in laptops, tablets, and tech accessories. Check out our student pricing on select computer models! We have the right computer for your major and an Apple® store that can do repairs.
